PRESENTS

## *Folk Dance Ensemble Varna* and *Krassimira Churtova*

*"Krassimira Churtova is a world renowned soloist-piper of the orchestra "100 Kaba Gaydi" and accompanies the famous folk singers Hristina Lyutova and Valya Balkanska (whose song was selected among 3000 songs from all over the world by the NASA computer and a recording of this song is "flying" with "Voyager" into deep space)."*

Folk Dance Ensemble Varna is an established major cultural institution in Bulgaria. The ensemble has toured extensively in 25 countries in Europe, Asia, Africa and America and has recorded for television in Bulgaria, France, England, Germany, Brazil, Belgium and Norway. The dances they perform are rich in lyricism and styles from Bulgarian folklore.

*Don't miss this one off opportunity to see and experience the charm and magic of the true Bulgarian dance folklore!*
